

# Turkey Starter

Available in 40lb, 1/2 ton, and 1 ton

## Purpose

This complete feed is ideal for free choice feeding to young turkey poultlets from day 1 through 6 weeks of age. Formulated with high protein, high energy, and a beautiful mix of quality grains and minerals, this feed is designed to support rapid growth and development.

## Feeding Instructions

Feed free choice to turkey poultlets from day 1 through 6 weeks of age. Free choice access to starter grit is recommended. Always provide plenty of clean, fresh water. For added gut health, we recommend pairing with our water soluble Direct-Fed-Microbial to enhance nutrient absorption.

### GUARANTEED ANALYSIS
