

Performance Horse

Available in 40lb, 1/2 ton, and 1 ton

Purpose

Our Certified Organic Performance Horse Feed is formulated specifically for maintenance diets with moderate energy demands. It is a healthy, nutritious feed that builds hind gut health. This mashed feed is a gorgeous mixture of oats, peas, barley, alfalfa pellets, kelp, probiotics, and other nutrients. Performance Horse is soy-free, corn-free, and made exclusively with North American organic grains. As a certified organic product, it is made with no antibiotics, pesticides and additives and is also Non-GMO.

Feeding Instructions

Feed 0.4lb per 100lb of body weight for the maintenance of mature horses. Feed good quality hay at the rate of 1 to 2lb per 100lb body weight daily. Provide fresh, clean water at all times.
